

# SERVICE AND REPAIRS

phone: +420 737 209 016  
e-mail: servis@hestego.cz

Covers protect your machine and the operator. Even the covers need protecting and keeping fit. We are ready to provide professional assistance concerning maintenance of inner covering of machines and devices.

## We offer:

- Service trips
- Inspection of the technical state of covers
- Repairs and service of damaged components
- Measuring of the cover directly on your machine
- Installation of new and refurbished covers on the machine
- Suggestions of new technical solutions
- Savings in case of early orders
